

Your views on our designs for Rowlandson Gardens garages

It's us again from Furze Housing Cooperative! We are a group of eight friends working together to build homes for ourselves on the derelict garage sites on Rowlandson Gardens.

We're now ready to present some draft designs for your feedback. The conversations we've had so far on doorsteps, on the green at the Residents Planning Forum have already shaped many aspects of our designs. We'd really appreciate your input again.

Join us a design presentation, discussion and light refreshments.

Tuesday 18th October 2022, 7:30pm
